SOUTHAMPTON HEALTHY HOMES

summary
~~cheat~~-sheet for referrers

THE ADMIN BIT:

Southampton Healthy Homes is funded by Southampton City Council and delivered by specialist energy advisers at the Environment Centre (tEC).

WHAT THEY CAN HELP WITH:

- Boilers and heating systems
- Loft and wall insulation
- Low carbon home heating solutions
- Complex situations with gas and electricity suppliers
- Personalised energy-saving advice
- Grants and funding for home improvements
- Discounts and signposting to other organisations

HOW THEY CAN HELP CLIENTS:

By phone: 0800 804 8601
By email: keepwarm@environmentcentre.com
At home visits (if phone or email isn't possible)

NOTES TO SELF:

tEC is looking for people on a low income or whose health might be made worse in the cold weather, but they'd like to speak to anyone struggling in Southampton because other types of support might be available.
